OSO CREATIONS

A concrete design and fabrication studio based in Brooklyn, New York with a focus on showcasing all of the unique and interesting ways concrete can be elevated.

the rollerboy

The first Rollerboy debuted in 2005 and has since gone through a few makeovers. The Rollerboy comes in 6 diameters and 2 different heights, making them the perfect tables to style in clusters.

You don't have to sacrifice style for function with our Rollerboy Collection.

These designs are suitable for indoors *and* outdoors!

open rollerboy

With its clean lines and contemporary silhouette, the Open Rollerboy adds an understated elegance to any space. The table's thoughtfully designed opening offers a place for your belongings.

Storage, but make it pretty.

HEIGHT: 16.5"
DIAMETER: 19"

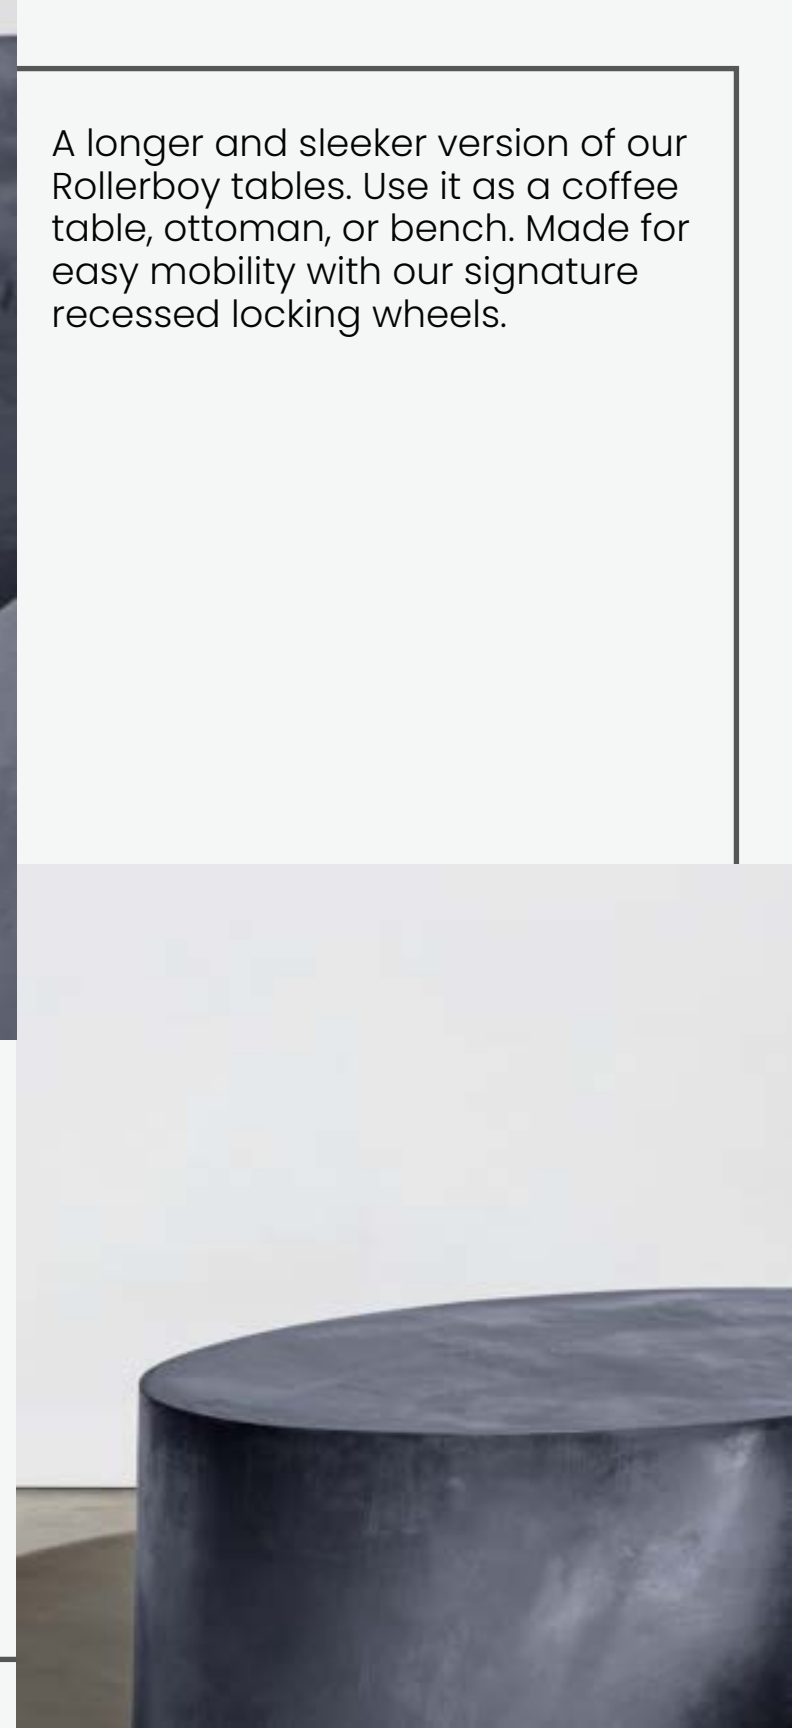

ELLIPTICAL

A longer and sleeker version of our Rollerboy tables. Use it as a coffee table, ottoman, or bench. Made for easy mobility with our signature recessed locking wheels.

HEIGHT: 16.5"
LENGTH: 44"
DEPTH: 20"

Functions as a coffee table, entryway bench, or even an ottoman, the Rollerbench redefines utility. Supported by recessed locking wheels, this piece is completely mobile.

OPEN BAR ROLLER

Our spin on the classic bar cart.

Crushed glass terrazzo, mirrored glass, and completely ready to be the center of the party.

Take it for a spin.

HEIGHT: 16.5"
LENGTH: 47.5"
DEPTH: 20"

BLACK MAMBA

Cast in blackened concrete, the table top is cast into a wooden mold, giving the concrete a heavily woodgrained texture. The thick top has a 45 degree bevel on the edges and sits on top of a truncated conical base, also cast in a blackened concrete taken to a high polish.

THE U-SIT COLLECTION

BENCH

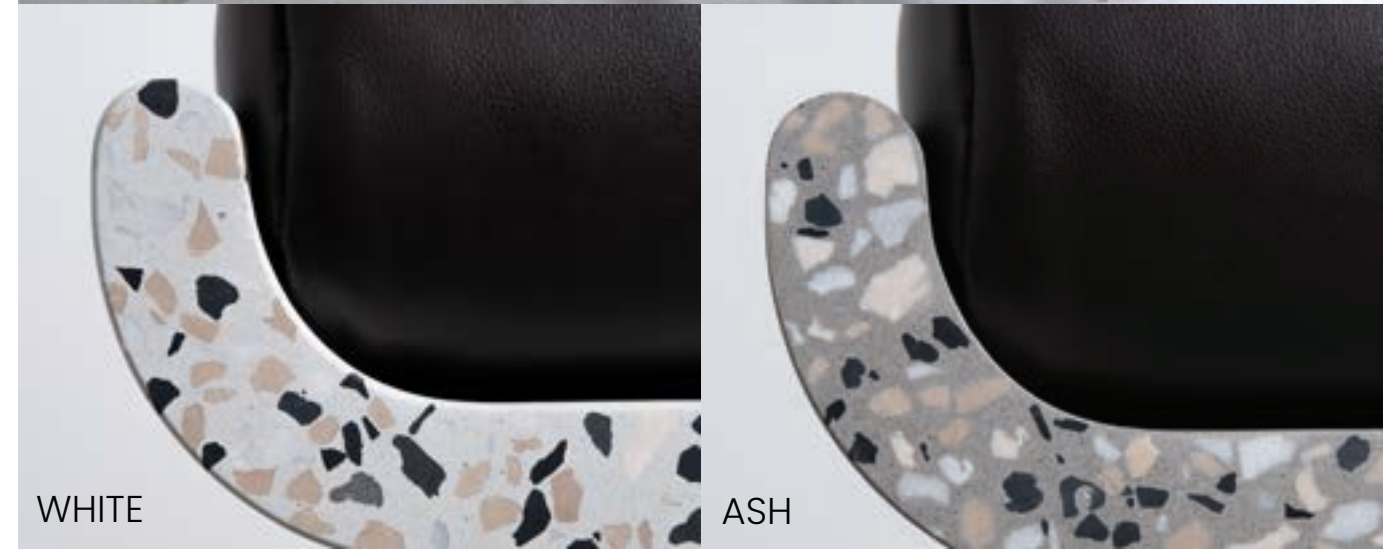

HEIGHT: 18"
LENGTH: 45"
DEPTH: 20"

Drawing inspiration from the elegant Asante wooden Sesedwa stools of Ghana in West Africa, the U Sit Collection captures the essence of this tradition. Its design showcases a curved cast terrazzo concrete seat, cradling a plush and substantial cushion.
