

### PROJECT:

#### DESCRIPTION:

The Arcus collection has been developed with configuration and customization in mind. It utilizes a modular linear LED body available 16", 24" and 32" lengths that allow the user to configure the fixture with supporting attachment components to fit the specific intended use. The Arcus collection can accommodate table, floor, wall, and ceiling applications.

The Arcus Double Stack Pendant offers both beauty and adaptability with its meticulously hand-crafted design. This fixture features two stacked shades in the LED body size of your preference. The dimmable integrated LED strips create perfect ambiance in any room.

**DIMENSIONS:** 32" h x 3 1/2" w x 2 1/2" d

#### MATERIALS:

Solid Brass and Kiln Formed Glass

#### WEIGHT:

4 pounds

#### CHOOSE THE METAL FINISH:

- Blackened Bronze (pictured)
- Oil Rubbed Bronze
- Aged Bronze

#### SPECIAL ORDER FINISHES (25 % UP-CHARGE)

- Polished Brass
- Polished Nickel
- Polished Chrome

All finishes are hand applied and subject to slight variations in tone and color. All finishes are sealed with a hand applied wax protective layer or clear coat depending on base metal.

#### CHOOSE THE GLASS COLOR:

- Snow
- Cloud
- Vapor (pictured)

Glass shades are hand shaped and sandblasted to a matte finish and subject to slight variations.

#### ILLUMINATION:

LED Linear Strip 24VDC 2700K 90+CRI  
3000K and Dim to Warm Available  
Dimmable with LED compatible dimmers.

#### WATTAGE:

14 watts

#### REMARKS

- This fixture shown is cable suspended which is height adjustable. Standard cable length is 48".
- Please specify if a longer cable is needed.
- Rod/pipe drop is also available for an additional charge. Please specify drop length needed and we will make it to fit your space perfectly.
- Handle with care during installation.
- For indoor dry applications only.
- 12 week lead time standard. If you need a rush order just give us a call and we will do our best to accommodate.
- Need a custom finish, glass, or configuration? We're here to discuss your project and design a solution tailored to your space.
- Please let us know if you need help specifying.
