OXIDIZED MAPLE BOOKSHELF

Shown in oxidized walnut

Oxidized Maple Bookshelf

15 x 32 x 76h

- Solid wood construction, cabinet below with soft close doors, and one adjustable shelf inside.
- A single plank is used to make back panel and the center of the cabinet doors, so from a certain perspective, the grain patterns align over the full height of the piece.
- Blackened steel verticals and pulls.
- Assembled with a concealed fastener system.

* All TVM pieces are made to order, so custom configurations and sizing are encouraged. We work with maple, walnut and oak.
