

URSULA CHAIR

The stocky stance and wide arms bring to mind the classic chairs and Cadillac convertibles of the 1940s and 50s. It's loose seat is generous and accommodating while the tight back and taller legs keep it tailored and current.

Handcrafted in California.

DIMENSIONS

36"W x 37.5"D x 32"H

WOOD/FINISH

Available in Ted Boerner standard woods and finishes.
