WHISK END TABLES

Eye-Catching + Long Lasting

WHISK is a dazzling set of occasional tables for inside the home, a roof deck or patio.

The metal frame is powder coated with a highly durable and attractive coating from one or two TB standard colors. Neutral or vibrant tones define the forms and provide a glow.

The top is attached to the base for ease of movement and arranging. Use as individuals next to a lounge chair or as a group in front of a sofa.

Handmade in California
