**Product Description:**

A complement to the tuxedo-style Margaux sofa by Powell & Bonnell, the Margaux lounge chair retains its deep seated comfort while exerting its own unique personality. The traditional elements of the show-wood frame and box-tufted back and arms establish a confident, contemporary silhouette. Available in Powell & Bonnell wood finishes, textiles, leathers or COM/COL. T 800.272.2058 or [www.powellandbonnell.com](http://www.powellandbonnell.com)

**About Powell & Bonnell:**

Under the creative direction of founders David Powell and Fenwick Bonnell, this multi talented design firm services an international clientele through its head office located in Toronto's design district. Driven by a philosophy to provide unique, creative solutions of exceptional quality, this award winning company has become internationally recognized for the art and integrity displayed in its interior design services and collection of fine furnishings. Intended for residential and commercial application, Powell & Bonnell's collection of lighting, mirrors, seating, tables and textiles are available to the trade throughout showrooms in Canada, USA and Mexico.
