

Oasis Table - Round

Live greener.

This versatile table arrives with a copper pan to set plants in, a glass covered vitrine to display curious objects and a retractable underpanel to see through to the floor (the glass stores underneath the table when not in use).

Shown in rotary cut bamboo veneer in a pinwheel box pattern.

Also available in maple, cherry, white oak, walnut, mahogany, and ash.

Designed by Ted...after being in the city too long.
