

THREE-WAY NESTING TABLE SET

The work of artist David Nash was part of the motivation behind the Triad Nesting Tables and 3-Way Nesting Tables. His use of solid forms and balance created a tension that inspired this design. We welcomed the opportunity to juxtapose two very different materials - in this case wood and acrylic. This is the coffee table off-shoot of our 3-Way Nesting Tables. This elongated version provides a flexible and changeable set of surfaces perfectly proportioned and suited to sofa and sectionals seating. Also available individually and sized as a console.

Handcrafted in California.
