

Erland Table Series

MATTHEW FAIRBANK
— DESIGN —

Description The Erland Console combines a traditional turned wooden leg with a contemporary marble top. Available in white carrera marble, the honed top displays unique markings and color variations. At the table base, brass feet add a detail of luxury and functionality, protecting the legs from wear. The table is available in side table and cocktail table formats with different wood finishes.

Year of Design 2013

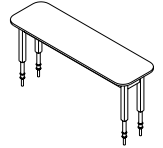

Material Marble top, solid wood frame, and brass feet.
