

Eidos Glass

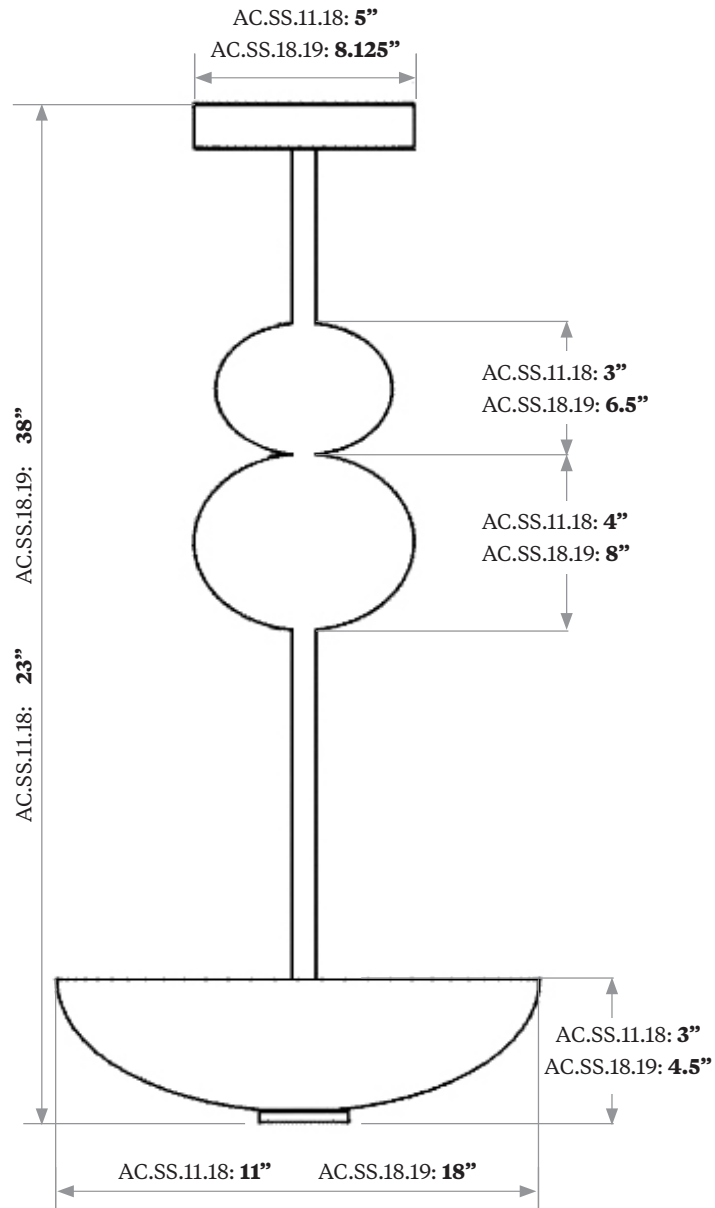

Aurum Chandelier

Aurum Chandelier — AC.SS.11.18, AC.SS.18.19

Part of the Aurum Home Décor and Lighting Collection. This fixture is a contemporary take on totemic structures, assembled from handblown glass geometric forms. Decorated with a band of 24 carat Japanese gold foil, Aurum lighting products are an exploration of the reflective interplay between gold, light and glass.
