

SPLIT COFFEE TABLE

This detail-packed version of the Commune Dining Table is a modern merging of contemporary and traditional styles. The open leg-base harmonizes with the breathing triangle top; the split legs cross and connect with each other on the floor and are reflected in the in-laid propeller veneer pattern on the table surface. A small lip finishes off the top edge.

DIMENSIONS

36" triangle x 16"H

42" triangle x 16"H

48" triangle x 16"H

WOOD/FINISH

Available in our standard wood and finishes.
